Dear Jessica, Danielle and Regina,

The Alameda County Republican Party held its organizational meeting yesterday on January 18. Peter Kuo and Jason Clark served as temporary co-chairs for this meeting. I was elected as Chairman of the ACRP. Additionally, Utkarsh Jain was elected as our official Treasurer at that meeting.

Henceforth, please direct all official party communications to myself and to Treasurer Jain. Our names need to appear now on the roster of CAGOP delegates. Accordingly, please delete the former chair and former treasurer, as they no longer hold those offices with the ACRP.

I learned within the last few hours that the former chairman, Hugh Bussell, inappropriately exercised the Alameda County Chairman's delegate appointments on the day of our organizational meeting. The former chairman did not notify either the membership of the Alameda County Committee or myself as chairman. Imagine the committee's surprise that the former chairman chose two people in different counties hundreds of miles away in southern California. I (and almost all members of the ACRP) have no idea who these people are.

I hereby rescind those improper appointments.

I, now as Chairman, appoint the following Alameda County residents as delegates as they represent the best interests and future of our county party.

Official ACRP delegates approve by Chairman Chan:

1. Radislaw Kosinski
2. Jennifer Kavouniaris
3. Midji Rovetta
4. Stephanie Szto
5. Angel Prasad

Given the time sensitive nature, here is my personal cell: (714) 269-6713.

Thank you for your immediate attention and prompt action on this matter.

Sincerely,

David Chan
Alameda County Republican Party Chairman
